The Millionaire's Mistress (Passion) By Miranda Lee

Made to be his mistress!

Justine Montgomery desperately needed a loan, otherwise she and her mom would be out on the street. So she steeled herself to ask handsome millionaire banker Marcus Osborne for help.

Marcus had no illusions about the Justines of this world. He could tell just by looking at her that she was a gold digger, out to target a rich husband. Just like his ex-wife.... But Marcus was also glad when Justine told him she'd do *anything* if he'd lend her money, because he **desired** her—badly. He'd give her the finances she wanted, and she'd repay him in his bed!

Editorial Review

About the Author

After leaving her convent school, Miranda Lee briefly studied the cello before moving to Sydney, where she embraced the emerging world of computers. Her career as a programmer ended after she married, had three daughters and bought a small acreage in a semi-rural community. She yearned to find a creative career from which she could earn money. When her sister suggested writing romances, it seemed like a good idea. She could do it at home, and it might even be fun! She never looked back.
