Danganronpa: The Animation Volume 1 By Spike Chunsoft

Each year, the elite Hope's Peak Academy selects only the most gifted and talented students to enroll...plus one ordinary student, chosen by lottery. Makoto Naegi was that lucky person--or so he thought! When he shows up for class, he finds the elite students are a bizarre cast of oddballs under the ruthless authority of a robot teddy bear principal, Monokuma. The bear lays down the school rules: the only way out of Hope's Peak is to not only murder another student...but get away with it, as every murder is followed by a tribunal where the surviving students cross-examine each other!

Inspired by the *Danganronpa* videogame series and based on the anime of the same name, the *Danganropa* manga is a quirky, fun, weird, and dynamic take on the high school Battle Royale genre.
