Healing Starts Now!: Complete Training Manual By Joan Hunter

One day when Jesus was teaching, “the power of the Lord was present for Him to heal the sick” (Luke 5:17). His same power is present in every believer today.

Drawing from her experience as a worldwide healing ministry, Joan Hunter desires to help equip the church to receive and to minister God’s miraculous healing in the four corners of the world.

Many believers want to understand:

How can I receive and retain healing?

Why would God use me?

What’s the best way to approach someone who needs healing?

How can I effectively pray for healing?

The answers to these and other questions—plus practical guidance and examples—are designed to help believers fulfill the Great Commission: “Go into all the world, and preach the gospel to every creature... lay hands on the sick, and they shall recover....(Mark 16:15, 18b).

Editorial Review

Review

Joan Hunter has ministered with us often and I have been an eyewitness to the many miracles that God works under her hands. One of the things I love about Joan is that she truly lives everything she preaches. Her heart is to see the entire Body walk in wholeness and move into the fullness of healing ministry. Joan ministers healing not only to the physical body, but also to the heart issues that are often the root. You will love Healing Starts Now! It will give you keys for receiving healing and tools to help others come into wholeness. This is a must read! ---Patricia King, Founder of XPmedia
