Editorial Review

Review

“Packed with Chinese mythology, kick-ass action and sexual tension... a smart, entertaining read.”
(*Australian SpecFic*)

“White Tiger is a fast paced novel with liberal quantities of romance, action and fantasy. The present-day setting blends seamlessly with the solid grounding the book has in myth and folklore. It is a rich tapestry of culture, action and love and makes for good entertainment.” (OzHorrorScope)

“I feigned illness and took the day off work so I could keep reading.” (3BA)

From the Back Cover

Immortals, martial arts, gods, and demons

The intrigue deepens as the demon threat closes around mortals and gods alike . . .

When Emma Donahoe took the position of nanny to John Chen's daughter Simone, she never expected to be caring for the child of a Chinese god, and she didn't expect that demons would want him dead. Nor has moving from nanny to partner in his heavenly realm made Emma's life any easier. Now a powerful race of demons has been created to hunt her and her family from Hong Kong to Europe. And she and Simone have become targets—pawns to be used in a deadly celestial power play.
