The Best of Best American Erotica 2008: 15th Anniversary Edition From Brand: Touchstone

The best of the best

The hottest of the hot

To mark its fifteenth anniversary, the top-selling erotica series achieves a scorching new climax with a special edition showcasing standout stories from the entire series as well as never before published pieces -- plus interviews with the authors and, for the first time, a hot and edgy piece from Susie Bright herself.

In **Susie Bright**'s own contribution, "Story of O Birthday Party," she recounts her lover's elaborately orchestrated birthday gift: a re-creation of Pauline Réage's classic S/M tale with Susie at the center of the action. **Joe Maynard** enters a love/hate relationship with a two-million-dollar sex toy in "Fleshlight." **Greta Christina**'s "Are We Having Sex Now or What?" asks the provocative question of what defines authentic sexual connection and experience.

Thoroughly electrifying -- and thrillingly eclectic -- the 2008 edition promises to open new doors with its exhilarating, equal-opportunity approach to erotic writing. Straight or gay, dominant or submissive, romantic or sadistic, Bright's selections run the gamut -- and push all the right buttons.
