The Psychoanalytic Theory of Neurosis By Otto Fenichel

The Psychoanalytic Theory of Neurosis, Fenichel's classic text, summarized the first half century of psychoanalytic investigation into psychopathology and presented a general psychoanalytic theory of neurosis. When Otto Fenichel died, Anna Freud mourned the loss of 'his inexhaustible knowledge of psychoanalysis and his inimitable way of organizing and presenting his facts'. These qualities shine through *The Psychoanalytic Theory of Neurosis* which has been a standard reference for generations of psychoanalysts.

For this anniversary edition, Leo Rangell has written an introduction that sets Fenichel's work in context. He sees Fenichel as a worthy heir to Freud; both men influenced their followers by what Rangell calls 'the charisma of ideas'. In his epilogue, Rangell describes the fate of Fenichel's ideas and of this book as 'a barometer of the place of psychoanalysis ... within the external intellectual world and, even more significantly, of the trends and shifting winds of opinion within the psychoanalytic field itself'. He traces those trends through the turbulent controversies of the field, concluding that Fenichel's observations are as fresh and relevant today as they were fifty years ago.

Users Review

From reader reviews:

Amanda Haskin:

What do you ponder on book? It is just for students because they're still students or the idea for all people in the world, the particular best subject for that? Just simply you can be answered for that problem above. Every person has various personality and hobby for every single other. Don't to be forced someone or something that they don't need do that. You must know how great as well as important the book The Psychoanalytic Theory of Neurosis. All type of book would you see on many methods. You can look for the internet solutions or other social media.

Jackie Gonzalez:

In this age globalization it is important to someone to obtain information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You will observe that now, a lot of publisher that will print many kinds of book. The particular book that recommended to you personally is The Psychoanalytic Theory of Neurosis this book consist a lot of the information with the condition of this world now. This kind of book was represented how do the world has grown up. The language styles that writer use for explain it is easy to understand. Typically the writer made some exploration when he makes this book. That's why this book acceptable all of you.

Lawrence Elam:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Psychoanalytic Theory of Neurosis can make you feel more interested to read.

Douglas Ayer:
