Until Tomorrow (Christy and Todd: College Years Book #1) By Robin Jones Gunn

Christy Miller is now an independent nineteen-year-old college student living in Switzerland, where she's been attending an international university. After being on her own for nearly a year, Christy is surprised and delighted when her two closest friends, Todd and Katie, come to Switzerland to spend the summer break traveling around Europe.

The three of them have very different expectations for the trip that threaten to make the time together much less pleasant than it could be. The tension increases when time runs short, and Christy is overwhelmed with the realization that she will soon have to say good-bye to Todd all over again. Do they have the kind of love that will last until tomorrow?

Editorial Review

From Library Journal

A Promise Is Forever saw Christy traveling around Europe with friends, wondering about the status of her relationship with God and Todd. Nothing has changed. While attending college in Switzerland, Christy makes plans with Todd and her best friend, Katie, to spend several weeks backpacking in Europe. Tensions mount from the moment Todd and Katie step off the train, and within days, three friendships are stretched to the edge. Christy prays for guidance about her relationship with Todd, but she doesn't listen very well. Even though she and Todd reach a semi-resolution, and her friendship with Katie survives, Christy's whiny "Lord, why me?" attitude quickly wears on the nerves. "This book is well written and interesting, keeps the reader hooked, and addresses many of the things teens struggle with." -- *Church Libraries, Winter 2001*

From the Back Cover

Nineteen-year-old Christy Miller has been on her own for nearly a year, studying at an international university in Basel, Switzerland. Despite her great experiences so far, she can't help but look forward to a visit from her two closest friends, Todd and Katie. The two of them are on their way to Basel to pick up Christy and head off on a three-week whirlwind tour of Europe.

But their trip soon gets off to a rocky start, and Christy wonders if the once-close connection between her and Todd is still there--especially since Christy can't get a minute alone with Todd to discuss their relationship. As the three friends explore from the fjords of Norway to the canals of Venice, Christy makes an unsettling discovery about the value of keeping her promises. Her jealousy of the time Todd spends with Katie has Christy constantly second-guessing herself, and she is overwhelmed with the realization that she will soon have to say good-bye to him all over again, not sure of where they stand. Will her most precious hopes have to wait until tomorrow?
