A House Is Not a Home By Polly Adler

Polly Adler had a certain notoriety in her time -- the 1920's through 1940's -- as the best-known "madam" in New York City. This book is her autobiography. Published in 1953, it reached number two for thirteen weeks on the "New York Times" nonfiction bestseller list (kept out of the top spot by Norman Vincent Peale's "The Power of Positive Thinking" -- what a contrast!). It was among the top ten nonfiction bestsellers of the year, and went on to sell over two million copies.
