Philosophy and Principles of Auditing: An Introduction By David Flint

This book provides a unique complement to the many texts which are available on auditing practice and procedures. Its purpose is to set auditing in a social context and to stimulate the reader to think of the wider social objectives of auditing. Auditing is presented as part of the public and private control mechanism of monitoring and securing accountability. After a general introduction to a framework of theory it deals with the source of authority, the process by which the audit is carried out and the basis on which the auditors' standards are established and maintained. At a time when the role of the auditor is very much under scrutiny it provides a new, valuable and stimulating analysis of the issue.

From reader reviews:

Nancy Reese:

Why? Because this Philosophy and Principles of Auditing: An Introduction is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will shock you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of positive aspects than the other book get such as help improving your ability and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the guide store hurriedly.

Frances Temple:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you may have done when you have spare time, after that why you don't try issue that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Philosophy and Principles of Auditing: An Introduction, you can enjoy both. It is good combination right, you still need to miss it? What kind of hangout type is it? Oh seriously its mind hangout fellas. What? Still don't get it, oh come on its known as reading friends.

Marlys Wieland:
