Tales of the Alhambra By Washington Irving

Rough draughts of some of the following tales and essays were actually written during a residence in the Alhambra; others were subsequently added, founded on notes and observations made there. Care was taken to maintain local coloring and verisimilitude; so that the whole might present a faithful and living picture of that microcosm, that singular little world into which I had been fortuitously thrown; and about which the external world had a very imperfect idea. It was my endeavor scrupulously to depict its half Spanish, half Oriental character; its mixture of the heroic, the poetic, and the grotesque; to revive the traces of grace and beauty fast fading from its walls; to record the regal and chivalrous traditions concerning those who once trod its courts; and the whimsical and superstitious legends of the motley race now burrowing among its ruins. Description Notice: This Book is published by Historical Books Limited (www.publicdomain.org.uk) as a Public Domain Book, if you have any inquiries, requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs, if you think there are any problems regard copyright issues please contact us immediately via DMCA@publicdomain.org.uk
